Included all requirements including:
 	
   - Sketched and planned your painting in your folder (2 marks)
   - Painted the background for your rock painting. (3 marks)
   - Sketched the basic shapes of your faerie house/door with pencil. (1 mark)
   - Painting the basic shapes of your faerie house/door. (2 marks)
   - Filled in the details of your faerie house or door. (2 marks)
	/10 points

Effort/Neatness - Was class time used wisely? - Was the project submitted on time? - Was care taken to make sure the project was neat? - Was the project treated with respect and handled gently (project should be put away properly after each class so that it is safe)?	/ 8 points
Quality of Background Painting - Is the rock, wood, etc. covered entirely (there should be no natural material showing)? - Are the colours clearly blended? - Does the background colour scheme relate to the house/door image? - Are the edges completely painted?	/ 8 points
Quality of Faerie/Door Painting - Are the house/door shapes painted neatly? - Are the shapes filled in neatly? - Is the paint applied evenly? - Are the pencil lines erased cleanly?	/ 8 points
Creativity - How much thought was put into the choice of the design? - Did you choose an interesting design that was different from others' designs? - Did you choose a design that was simple or challenging? - Did you draw the design yourself or copy it from the internet/book/etc.?	/ 8 points
Review Questions - Have you heard stories of the NL faeries before this project? (2 marks) - What have you learned about NL faeries since starting this project? (3 marks) - What type of faerie or mythical creature did you build your house for? (3 marks)	/ 8 points
TOTAL (of possible 50)	/ 50 =
