Neatness

- Was care taken to make sure the project was neat?
- Was the project treated with respect and handled gently (project should be put away properly after each class so that it is safe)?

/10

Level of Completion / Effort

- Does the look finished or rushed?
- Because this was not a required project and had no due date, was it completed entirely before it was submitted?
- How much time was spent on the work?
- Was class time used wisely (extra time during class after projects were completed should have been used to complete independent)?
- Was effort taken to create a project that was significant to the student?

/10

Creativity

- How much thought was put into the choice of the artwork (artwork should be considered an artistic work and not a craft that is simply copied)?
- Is the original artwork different and unique or is it copied from another source?
