

<b>OPTICAL ILLUSION SKETCHBOOK PROJECT</b>	4	3	2	1	0
<b>Followed Instructions (Sections and Shapes)</b> <ul style="list-style-type: none"> <li>- Drew vanishing point and lines</li> <li>- Drew at least 3 shapes</li> <li>- Used a ruler for straight lines</li> <li>- Added colour that alternated between spaces</li> </ul>					
<b>Followed Instructions (Sliding Bricks)</b> <ul style="list-style-type: none"> <li>- Drew horizontal lines</li> <li>- Drew vertical lines for bricks that shifted slightly</li> <li>- Used a ruler for straight lines</li> <li>- Added colour that alternated between spaces</li> </ul>					
<b>Followed Instructions (Thick and Thin Columns)</b> <ul style="list-style-type: none"> <li>- Drew columns in the correct sizes (thick to thin)</li> <li>- Changed the size of the spaces between columns</li> <li>- Used a ruler for straight lines</li> <li>- Added colour to the columns</li> </ul>					
<b>Followed Instructions (Donut)</b> <ul style="list-style-type: none"> <li>- Drew circle with at least 3 smaller circles within it</li> <li>- Drew lines that spiraled out from center of circle</li> <li>- Used a compass or circular object for shapes</li> <li>- Added colour that alternated between spaces</li> </ul>					
<b>Followed Instructions (Concentric Circle)</b> <ul style="list-style-type: none"> <li>- Drew circle</li> <li>- Drew intersecting lines within circle to create illusion</li> <li>- Used a compass or circular object for shapes</li> <li>- Added colour that alternated between spaces</li> </ul>					
<b>Over Effort</b> <ul style="list-style-type: none"> <li>- How much time was spent on the work?</li> <li>- Was class time used wisely?</li> </ul>					
<b>Overall Neatness</b> <ul style="list-style-type: none"> <li>- Did you use a ruler and compass?</li> <li>- Was I neat in drawing, outlining, and colouring?</li> <li>- Was care taken to make sure the project was neat?</li> <li>- Was the project treated with respect and handled gently (project should be put away properly after each class so that it is safe)?</li> </ul>					
<b>TOTAL (of possible 28)</b>
